UNIVERSITY OF  
TORONTO

The University of Toronto is a major hub for research collaborations, academic initiatives, and capacity building with African universities and partners. U of T is home to hundreds of Africanists and Africa-related researchers and over 1400 African students.

This virtual event brings together researchers at UT interested in exploring research, academic, entrepreneurship and innovation engagement opportunities with Africa. It will feature Professor Wisdom Tettey, Vice-President of the University of Toronto and Principal of the University of Toronto Scarborough and Professor Joseph Wong, Vice-President International, University of Toronto. Participants will be encouraged to discuss ways to strengthen existing frameworks to foster research, academic and entrepreneurial collaborations.

This event aims at contributing to mobilizing Africanists and Africa-related researchers at U of T to create synergies and share practices. Organized by the Presidential International Council Africa.
